Abu Dhabi

Course Name	Date	Accreditation Body
Geostatistics in Reservoir Modeling	January 24-27	
Extended Reach Drilling	February 15-18	
Integrated Gas Field Reservoir Management	February 21-24	
Advanced Coil Tubing	March 8-11	
IOSH Managing Safely	March 15-17	IOSH
Artificial Intelligence in Geoscience Studies	March 22-25	
Artificial Lift Techniques	March 4-7	
NEBOSH HSW	April 4-7	NEBOSH
Machine Learning Principles and Data Analysis	April 11-14	
Carbonate Reservoirs; Geometry and Properties	April 18-22	ANSI
Rig Inspection, Rig Sizing and selection	April 25-28	

Istanbul

Course Name	Date	Accreditation Body
IWCF Well Control Supervisory Level	January 10-13	IWCF
Managing Wellsite Operation	January 24-27	
Drill String Design	February 8-11	
Mud Logging	February 8-11	
IWCF Well Control Supervisory Level	February 15-18	IWCF
Well Log Interpretation	February 21-24	ANSI
Petroleum Project Management	March 8-11	ANSI
Team Building	March 22-25	
IWCF Well Control Supervisory Level	March 22-25	ANSI
Rig Inspection, Rig Sizing and selection	April 4-7	

Manchester

Course Name	Date	Accreditation Body
Leadership Development Program	March 1-11	University of Manchester
Petroleum Project Management	March 15-19	ANSI

Liverpool

Course Name	Date	Accreditation Body
Introduction to Petroleum Industry Tunis	April 4-15	ANSI
Strategic Leadership Program	March 22-25	University of Liverpool

Tunis

Course Name	Date	Accreditation Body
Seismic Attributes for Reservoir Characterization	Feb 15-18	
Applied Structural Geology	February 21-24	ANSI
Reservoir Engineering for other disciplines	March 8-11	ANSI
Advanced Reservoir Simulation	March 22-25	
Integrated Reservoir Studies	April -4-7	ANSI
HPHT Well Design & Operation	April 11-14	

Muscat

Course Name	Date	Accreditation Body
Application of Machine Learning in Geophysics	February 21-24	
Advanced Special Core Analysis	March 8-11	
Advanced Artificial Lift	March 22-25	
Petroleum Geoscience for Non-Geologists	April 11-14	

Note*

- These courses can be conducted Face to Face or Online.
